Quality Health Coverage. For Every Kentuckian.

Saving money on insurance is important to all Kentuckians.

You can buy health coverage through kynect, Kentucky's Healthcare Connection. kynect offers choices of health plans at a good value. Coverage cannot be denied or canceled, even if you have a condition like high blood pressure or diabetes. There are no lifetime limits on coverage and children can stay on their parents' plan until age 26.

kynect is here to help you find the right coverage. It's a new kind of health insurance marketplace – convenient and easy to use. With one application, kynect checks your eligibility for programs that can help you pay for health insurance for yourself, your family or your employees.

Get the coverage you need.

All new health plans must cover certain items – called essential health benefits – such as doctor visits, trips to the hospital and emergency room, medicine and care for pregnant women and children. kynect helps you get a quality plan that covers all healthcare needs.

With kynect, comparing different health plans is simple. Health plans offered on kynect are in one of four new metal categories: Bronze, Silver, Gold and Platinum. As the metal level increases in value from Bronze to Platinum, so does the percentage of medical expenses that the plan will cover. For example, you could choose a Platinum plan with a higher premium and pay a lower out-of-pocket cost. Or you could choose a Bronze plan with a lower premium and pay a higher out-of-pocket cost.
