

Identity Proofing

Verifying Individual Information

Because IHII and PII are extremely sensitive and important, it is critical for you as Agents and kynectors to verify the identity of who you are assisting.

Identity proofing is a federal requirement and a necessary step included in facilitating enrollment. The information provided to kynect is sensitive Personally Identifiable Information (PII), requiring a rigorous online verification process. Determining eligibility involves sensitive federal and state data, and kynect must verify individuals' identities before granting them full access to the system.

There are **three** methods of verifying an individual's identity:

1. Provide the correct answers to a series of personal questions.
It is important to note that Agent or kynectors will only have **one attempt** to correctly enter the individuals' answers to the Experian questions.
2. Upload various forms of identification throughout the application process. These forms of identification **can** include:
 - Adoption Record
 - Affidavit from non-US citizen
 - Affidavit from US citizen
 - Award Letter
 - Birth Record
 - Certificate of Tribal Affiliation
 - Certificate of US Citizenship (N-560 or N-561)
 - Incarceration Discharge Record
 - Divorce Decree
 - Driver's License
 - Employee ID
 - Federal Government issued ID
 - GED
 - Health Insurance Card
 - High School or College Diploma
 - Immigration Document (Government Issued)
 - Income Tax Return
 - Law Enforcement Records
 - Local Government Issued ID
 - Marriage License
 - Military Dependent's ID
 - Naturalization Certificate
 - Passport
 - Personal Records Showing Deductions
 - Property Deed or Title
 - School Photo ID
 - School Record
 - State Government Issued ID
 - US Coast Guard Merchant Mariner card
 - US Military ID Card or Draft Record
 - Wage Stubs
3. If the individual fails to correctly answer the Experian questions, they will be provided with a reference number and will need to call the Experian Help Desk at 866-578-5409. They will have to provide their last name, date of birth, and the reference number.

Using the KOG-Confirm Identity Tools Link

As an Agent or kynector assisting individuals with an application, **it is a mandatory requirement to use the KOG-Confirm Identity Tools link to verify an individual's identity.**

Once you initiate an individual application from your Agent or kynector dashboard, you can begin the identify confirmation process for the individual. You will ask the individual a series of unique personal questions. These questions are generated using public records and consumer credit information.

After you have begun an application, the Primary Applicant-Basic Information page displays.

1. Enter the individual's first name, last name, date of birth, gender, and application channel.
2. Click the **KOG-Confirm Identity Tools** link at the bottom of the page to verify the individual's identity. You can either confirm an individual's identify through this process or upload identification documents later. This step is highly recommended.

Please read the following paragraph to your customer:

In order to take your application over the telephone, I must first verify your identity. I'm going to ask you for some personal information, including your legal name, and your address. This information will then be verified by using public records. All of the personal information questions I will ask you are important, but you are not required to answer all of them. As we go through the questions, if there are any you don't wish to answer, I will tell you if the question is required or voluntary.

After you have answered the questions about yourself, this information will be used to access a consumer credit database. This service will give me questions to ask you that go beyond what is known in public records. If you are able to answer them, we will be able to proceed with your application over the telephone. If you don't have all the answers, I will give you information on how to contact the consumer credit service help desk so they can help you.

Examples of questions an individual might be asked are: *please select the county you have previously resided in, or which of the following represents the last four digits of your cellular phone number?* Note that these questions are unique to each individual based on their credit history. If the individual does not have a credit history, the individual will be given a reference number and need to call the Experian Help Desk at 866-578-5409. They will have to provide their last name, date of birth, and the reference number (see #3 listed under the section “Verifying Individual Information”).

6. Provide answers to each question.

7. Click **Next**.

The screenshot shows the 'User Verification' section of the Kentucky Online Gateway. It contains four questions with radio button options:

Callouts in the image include a box labeled 'See #6' pointing to the first question, a box labeled 'Click Next' pointing to the second question, and a box labeled 'Next' pointing to the green 'Next' button at the bottom left.

If the individual provides the correct answers to all of his or her verification questions you can continue with his or her application on kynect. Should the individual you are assisting fail the online ID proofing, he or she will receive a reference number.

Instruct him or her to call the Experian Helpdesk at 866-578-5409 for assistance and troubleshooting. If the individual you are assisting answers the identity proofing questions incorrectly, you **will not be able to proceed with his or her application** until this issue is resolved.

There is also a **manual identification proofing option** for those without credit history or those unable to pass the Experian identity proofing. **These individuals may be manually identity proofed by KOHBIE.** Fax a copy of a photo ID, contact information, and a signed written statement by a supervisor to 502-564-7940 with *“Request manual identity proofing”* in the subject line. Office staff may also contact the individual and or supervisor for additional information before approval. **Please note that this process is available to kynectors only and that the information should be sent to contracted agencies only.**
