Open Enrollment Site Support

Site Support efforts for Open Enrollment began Monday, October 21st. If an Application Assister wishes to have site support at their events or office, please contact the Application Assister administrator or KHBE.

Issue Escalation Process

Application Assisters should escalate issues by calling the Professional Services Line (PSL).

**Identify the Issue**

Identify that there is a system issue.
If a screen looks different, before reporting to PSL, please review release notes sent by KHBE Mailbox. Otherwise record steps taken that led to the potential error.

**Call PSL**

Call 1-855-326-4650 to report the issue. You must have the following information when calling PSL:
- Case/Application Number
- Description of the issue
- Error message number, if applicable

**System Ticket**

Ask for the PSL representative’s name and a system ticket number before ending the call or before being transferred to DCBS.

**Follow-Up**

You can call the PSL with the ticket number to follow-up on any issues if needed.
